

Emergency Call is a  
 nationwide emergency callout generator network  
 with guaranteed response 24/7/365

**Our national average response time is 100 minutes!**

EMERGENCY CALL OUTS TO  
 UNSCHEDULED POWER CUTS  
 ARE UNLIMITED AND  
 INCLUDED FREE OF CHARGE

*Emergency Call is the most cost effective 24/7/365 guaranteed solution to prolonged power cuts nationwide. Site registration involves installation of a one off 'plug and play' manual generator connection and changeover system.*

*An Emergency Call contract is then issued for a fixed monthly fee. The NSSE 24/7/365 network control room manages all callouts and co-ordinates the operation from start to finish including delivery, connection, refuelling and collection of the generator.*
